## Notice to Parents

Dear Parents,

I bring warm wishes and greetings as we are approaching the festival season particularly "Durga Puja". May we all have blessings in abundance to overcome all the forces of evil in us as we worship and rejoice in the victory of good over evil, Goddess Durga over Mahishasura, the epitome of evil. Wish you all a happy and safe festival season.

**First Assessment:** Please note that the scripts of the first assessment will be given back to the children after the Puja Holidays. The scripts are given back to them so that they can learn from their mistakes, hence, the showing of scripts is a learning experience and not a time for fault finding or to fix blame on any individual or situation. Teaching, testing and learning is the right process of learning. What is mistaken when corrected is never forgotten and learned twice and remembered for ever.

**Senior Section:** Answer scripts will be given back to students between October 11 and 14, during class hours. If there are clarifications regarding corrections the same must be done by the student before the teacher leaves the class. Once the teacher leaves the class no corrections will be entertained. Approaching teachers with genuine problems is also part of learning and education to self-reliance.

**Junior Section:** First Assessment answer scripts will be given to the students on October 14. School will give over at 11.15 am on that day. Parents having doubts regards answer scripts can approach respective subject teachers on the same day latest by 3.00 pm. No correction will be entertained thereafter.

**October 11, 2022, Tuesday:** Classes resume after the Puja Holidays, October 10 being a holiday. Please make sure that your child attends the school on this day in accordance with the school calendar.

**School Fees:** There are some students whose fees are due. I request the parents to clear the dues before the report day so that the report distribution is hassle free. Fee defaulters may not be able to get the report cards until fees are duly paid.

**Internal Assessments and Projects:** There are some defaulters in this area, despite our best efforts. It may be noted that Projects and internal assessments are going to be the order of the day in the days to come in the scheme of the NEP 2020. Hence, it's imperative that the students are acquainted with this form of evaluation and award of marks. However, some students are very non-cooperative in this matter.

**October 21, 2022, Friday** First Term Report will be given on this day. Any one Parent is expected to come to school and collect the report. Report will be available from the respective classes as per the schedule communicated through your children. For the convenience of all, parents and students, each class has been divided into two groups and reports will be collected in accordance with the schedule given below.

12.30 pm Roll Numbers 23 to 46

1.30 pm Roll Numbers 1 to 22

This division will facilitate smooth distribution of the report cards and a quick interaction with the class teacher. This schedule is applicable to the whole school. Parents are requested to read the Prospectus paragraph number 55 regarding the report collection by parents. I am sure that all parents will be able to spare some time for the cause of education of your children.

Yours truly,

Fr. Siby Joseph Vadakel sdb
